**NARRATIVE:**

Monique Moore has an extensive adult criminal history that began at the age of 23. Her convictions include robbery, burglary, possession of controlled substances with a firearm, transporting and sales of controlled substances, attempted grand theft auto, petty theft, multiple cases of possession of PCP, multiple cases of being under the influence of PCP, driving with a suspended license and false identification to a peace officer. She has served multiple state prison terms, the longest being a 5 year term for possession of controlled substances with a firearm. Moore was released from state prison to the supervision of the Los Angeles County Probation Department on September 26, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. She subsequently failed to report to her probation officer and an arrest warrant was issued in March 2016 after she absconded from post release community supervision (PRCS). Moore qualified to be released to the supervision of probation, under AB 109, because her current commitment offense for possession of controlled substances is defined as non-serious and non-violent under the California penal code. Her criminal history and current failure to comply with the terms of release make her a most wanted. If you know her whereabouts please contact...
